# BADGER ON THE LOOSE!

**An elusive suspect was apprehended in an Evans neighborhood in August.**

Officer Troy McDaniel responded to a report of a badger in a resident's yard, and sure enough, when he arrived the critter was staring him in the face. He managed to corral him and put him behind bars before returning him to the wild safe and sound. The Colorado Parks and Wildlife say badgers are not common in Colorado, but you may see them in the grasslands of the eastern plains.

## Evans Police host Drug Take-Back Day on Oct. 23rd

The Evans Police Department is proud to host Drug Take Back Day on Saturday, Oct. 23rd from 10m-2pm at Sam's Club in Evans.

The bi-annual event gives residents the opportunity to properly dispose of unused or expired prescription drugs. Shredding will also be available to residents who want to dissolve sensitive documents and are aware of the ever-increasing occurrence of identity theft.

### The following will not be accepted:

- ◆ Needles & Sharps
- ◆ Mercury (thermometers)
- ◆ Oxygen Containers
- ◆ Chemotherapy/Radioactive Substances
- ◆ Pressurized Canisters
- ◆ Illegal Drugs

The event is free and open to the public

## National Night Out

*Necessity can be the catalyst to invention.*

*We excel beyond our talent when we are pushed beyond our limit.*

The COVID-19 virus nullified the usual National Night Out Neighborhood parties in 2020, but the City of Evans residents and Evans Police Department turned a negative into a positive when they formed a socially distant parade to celebrate the event. Nearly every car in the City of Evans Police Department's fleet was deployed to the Grapevine Hollow subdivision to make a lap around the neighborhood from the front seat of their vehicles. The goal was to give residents an opportunity to make a positive connection with police without leaving their front lawn. The result was a large turnout with nearly every house draped in American Flags and friendly waves to the Police Force.

The success of that event inspired an encore performance that has graduated into a tradition. In 2021, the Police Department once again rolled a cop caravan through Grapevine subdivision. And once again, the neighborhood flooded the streets to applaud our Law Enforcement and first responders.

"2021's event was special because it signified a rebound from the pandemic and a community that was eager to celebrate together," Evans Police Chief Rick Brandt said.

**"We understand the virus is still here, but we're on our way to recovery and the community wanted to connect with us."**

In addition to the parade, more than a dozen neighborhoods throughout Evans held National Night Out parties with food, games, live music, and community fellowship.

"Staying healthy is important and staying together is healthy. That's why celebrating together is vital to the health of a community. It creates trust and comradery and unites people."

National Night Out is a crime and drug prevention event that is sponsored by the National Association of Town Watch and co-sponsored locally by the Evans Police Department. 2021 marked the 38th anniversary of this event with over 38 million people across the country estimated to participate.

National Night Out is designed to:

- ◆ Heighten crime and drug prevention awareness
- ◆ Generate support for, and participation in, local anti-crime efforts
- ◆ Strengthen neighborhood spirit and police/community partnerships
- ◆ Send a message to criminals letting them know neighborhoods are organized and fighting back

## *Special Olympics* **Law Enforcement Torch Run**

Evans, CO—The Evans Police Department, along with Law Enforcement communities throughout the Centennial State will take center stage in the annual Law Enforcement Torch Run on Wednesday, September 29th. The annual event is a fundraiser for Special Olympics and that's something near-and-dear to the Evans PD.

"For me it's huge," Evans Sergeant Brett Stone said. "It's not only law enforcement getting involved in this, but what a show for the Special Olympics Athletes. It's something that I hold true to myself every year, and I'm honored to run with these Special Olympic Athletes."

The Evans Police Department will join forces with several other Law Enforcement units throughout Weld County.

"You have the state law enforcement as a whole that comes together to participate in this, all for the benefit of the Special Olympic Athletes and the organization and everything that they do. It's an unbelievable sight to behold, especially being a part of it, being amongst it and running with the Special Olympic Athletes," Stone said.

The event is centered around a torch that is passed from agency-to-agency. The Evans Police Department will receive the torch from the Greeley Police Department at Highway 34 and 17th Avenue in Greeley and run with it to 37th Street in Evans, then east to 11th Avenue by the Evans Community Complex. The final leg of the Evans' route will take them back north on 11 Avenue, past Highway 34, where they will hand the torch to the UNC Police Department.

Donations from the 13 Weld County Law Enforcement agencies total thousands of dollars towards the Colorado Special Olympics.

**The Neighborhood Party Trailer is now available to Evans residents and businesses to reserve for neighborhood block parties and similar community events, for free!**

## What is it?

The Neighborhood Party Trailer was made possible by a generous donation from Sam's Club, and contains all of the essentials to host a block party, neighborhood watch meeting, or similar community event. The organizer simply reserves the trailer, invites the guests, and makes arrangements for food and drinks. The Neighborhood Party Trailer is a great tool to build community, strengthen neighborhoods, and to get outside and enjoy our beautiful City!

The trailer includes:  
10 tables  
48 chairs  
4 trash cans

2 coolers with ice  
2 water coolers  
12 traffic cones  
Corn Hole Boards

Giant Jenga  
6 Hula Hoops  
8 Jump Ropes  
Sidewalk Chalk

## How does it work?

Organizers looking to host an event need only check the dates that the trailer is available for reservation, and apply to reserve the trailer. Staff will review the application as quickly as possible and contact the applicant to confirm the reservation, or to gather additional information and work out the details. On the day of the reservation, City staff will deliver and secure the trailer, and contact the organizer with a code to unlock the trailer. The organizer may then unlock and use the contents of the trailer, and when finished, replace clean items to their designated locations, and lock the doors. Staff will return during working hours to retrieve the trailer.

## Who can reserve it?

Any resident of Evans, 18 or older, is eligible to reserve the trailer. The applicant must demonstrate in the application that the event is a community event such as a block party or neighborhood watch meeting, and not a private event such as a birthday or graduation party.

## How do I reserve it?

Check the dates that the trailer is available here > <https://bit.ly/3xODrT7>

## New Police Station Proposed (with no new taxes or fees) on November Ballot

A proposed new Police Station in the City of Evans will be presented on the November 2021 municipal election ballot. The measure will appear as Measure 2B. The proposed facility will require no increased, new, or additional taxes or fees to Evans residents. Evans City Council unanimously agreed to place the measure on the ballot.

The state-of-the-art Police Department would be funded by revenue redirected from an existing sales tax that was passed by voters in 2004. The project comes with an estimated cost of approximately \$25 million dollars. The tentatively preferred site for the new facility is the southeast corner of 23rd Avenue and 42nd Street, though no final decision on location has been reached. The facility needs assessment study estimated that a facility to meet the needs of the future would require 41,000 square feet of space and accommodate 65-75 staff (sworn and civilian).

Currently, the Evans Police Department shares the northeast section of the Evans Community Complex located at 1100 37th Street. It was built in 1998 to accommodate staffing levels of approximately 20 staff, which is approximately half of the current staffing level.

Residents can vote by mail beginning on October 8th-November 2nd. Or they can vote in person at the City of Evans ballot dropbox located at 1100 37th Street until November 14th, 2021. To register to vote in Colorado, please visit [www.sos.state.co.us/pubs/elections/vote/VoterHome.html](http://www.sos.state.co.us/pubs/elections/vote/VoterHome.html)

Pictures depict conceptual designs and logistical specifications for the proposed complex. The final renderings and construction may not reflect the artist renderings.

## Word from Fire Chief Nick Siemens

"Still Standing." The two-inch-high white letters are barely noticeable on the front of 10 Truck. There are lots of things to distract you from the message. At first glance, observers may only see the emergency lights, the American Flag paint job, or the large F.D.N.Y. letters on either side of the grill. On the windshield are the words "Defending Liberty", and at the top of the cab in red, white, and blue it reads "Ten House." And yet, in spite of all the other messages and information on the front of that fire truck, the smallest letters shout the loudest message. Still Standing.

FDNY's - Fire Department, New York - Station 10 is the only New York City fire department inside of what became ground zero. 10 Truck and Engine 10 were some of the first firefighters on scene two decades ago as the planes crashed into the World Trade Center. Articles and stories on the 10 House website (fdnytenhouse.com) tell how the men on duty "all jumped up from the table and ran to the front of the apparatus bay. The sky was completely black." The 10 House crews were among the first to respond on September 11 and five men, two on the truck and three on the engine, died when the towers collapsed. The fire station itself also sustained damage during the terrorist attacks and ultimately had to be rebuilt.

After the towers came down and the 2,420 civilians and 343 firefighters died, the recovery efforts began. Along with moving literal tons of debris, the searchers at ground zero eventually found what was left of 10 Truck. The 10 House website says, "When they finally found the burnt wreckage of Ladder 10, weeks later, it was buried under 40 feet of rubble." In spite of all the damage, the destruction, and the loss of life, the message remains loud and clear, "Still Standing."

What is it exactly, that is still standing though? The message likely varies for each person who sees it. September 11, 2001, and the days that followed were a difficult fight. The terrorists sucker punched our Nation and landed some early blows. If a broadcaster was announcing the fight, it's easy to imagine him saying, "the United States is hit, but it's still standing."

For some, that simple phrase may refer to the FDNY and its apparatus. 10 Truck was replaced, complete with a waving flag paint job. The station was rebuilt with red, white, and blue garage doors. The firefighters continue to respond to emergency calls 24 hours a day, seven days a week. The largest fire department in the United States is still standing.

For others, the message may evoke a feeling of pride and community. Do you remember how the country truly came together after that fateful day? The unthinkable events of that Tuesday morning prompted people to hang flags, to be a little kinder, and to focus on the values that this country was founded on. 9-11 inspired artwork, poems, and songs. Country musician Alan Jackson's song asked, "where were you when the world stopped turning?" While we all remember where we were when we heard the news, the truth is, the world did not stop turning, and the United States did not stop fighting. In fact, the world joined with us, offering their support, showing our enemies that we are not standing still, we are still standing.

In the two decades since September 11, 2001, our country has survived countless attacks. Some of those attacks have human causes, and some of them were natural disasters. It doesn't matter if you're thinking of a condo collapse, a bridge failure, a hazmat event, or domestic terrorism. Maybe your first thoughts turned to hurricanes, wildfires, or tornadoes. Now take a moment and remember the message on the front of that fire truck. Still Standing.

America is a strong, resilient country. We come together in the worst times to take care of our neighbors, our friends, our families, and yes, even strangers. There are stories too numerous to mention about how the citizens of New York City took care of each other and the firefighters after 9-11. The stories aren't just limited to the big city though. All across the country we saw evidence of neighbors helping neighbors, lending a hand, or lending an ear. We didn't stop fighting and we didn't give up. We are still standing.

20 years later, no one can be sure if or when another attack will happen. We can't predict if it will happen in Evans, Pennsylvania, or Evans, Colorado. What we can predict though, based on two decades of experience, is that regardless of the event we will come through it stronger and closer as a country. We will dust ourselves off and think back to the message on the front of a big red truck, and we will move forward.

*Still standing.*

## Water Conservation FALL ON THE HORIZON

Our Water Conservation Coordinator, Justine, has been working hard to keep programs and information flowing. The summer is still hot, but Fall weather is on the horizon. Be especially aware of decreasing lawn watering needs as the weather becomes less extreme. Keep up the great water conservation work!

### See you at Heritage Days

Will you be attending Heritage Days on September 17th? Be sure to stop by the City of Evans Public Works table. Justine will be there with water conservation information and giveaways.

# THE GREAT 2021 FALL CLEAN UP

October 2-3 and October 9-10 8 am to 4 pm 3323 1st Avenue, Evans

## WHO CAN PARTICIPATE?

Evans utility customers who pay for their trash service through their bill will receive one free voucher delivered to their physical mailbox.

## WHAT YOU NEED TO BRING

Bring the free cleanup voucher attached to the bottom of this letter. You will also be required to present proof of residency in the form of a driver license or Evans utility bill verifying your address.

## MORE THAN 1 VOUCHER?

You can purchase vouchers at the event with proof of residency for \$10 per load (cash only). You can also buy additional vouchers at the Evans Community Complex during normal business hours (M-F, 8am-5pm). Trailers and loads larger than one pickup bed will require multiple vouchers.

## CAN I BRING TIRES?

Waste tires will be accepted for an additional fee of \$3 per passenger vehicle tire without a wheel. All other tires will cost more. The second lowest fee will be \$8 for passenger vehicle tires with wheels.

## WHAT ITEMS WILL NOT BE ACCEPTED?

Recycling guides will be available at the event or from the City by request. The guide will help residents determine what items will not be accepted at the cleanup. Examples include: electronics, refrigerants, and household hazardous wastes such as paint, cleaning chemicals, and a variety of other items which require special disposal.

# LIMPIEZA DE OTOÑO 2021

2-3 de octubre y 9-10 8 am to 4 pm 3323 1st Avenue, Evans

## ¿QUIÉN PUEDE PARTICIPAR?

Todos los residentes de la ciudad de Evans, Colorado. Los clientes de servicios públicos de Evans que pagan su servicio de basura a través de su factura recibirán cupones por correo.

## LO QUE NECESITA TRAER

Traiga el comprobante de limpieza gratuito adjunto al final de esta carta. También se le pedirá que presente un comprobante de domicilio en forma de licencia de conducir o factura de servicios públicos de Evans que verifique su dirección.

## ¿MÁS DE 1 CUPON?

Puede comprar cupones en el evento con comprobante de residencia por \$ 10 por carga (solo en efectivo). También puede comprar cupones adicionales en el Complejo Comunitario de Evans durante el horario normal de atención (lunes a viernes, de 8 a.m. a 5 p.m.). Los remolques y cargas más grandes que una camioneta requerirán múltiples cupones.

## ¿PUEDO TRAER LLANTAS?

Se aceptarán llantas de desecho por una tarifa adicional de \$3 por llanta de vehículo sin rueda. Todos los demás neumáticos costarán más. La segunda tarifa más baja será de \$8 para llantas de vehículos de pasajeros con ruedas.

## ¿QUÉ ARTÍCULOS NO SE ACEPTARÁN?

Las guías de reciclaje estarán disponibles en el evento o en la Ciudad a pedido. La guía ayudará a los residentes a determinar qué artículos no serán aceptados en la limpieza. Los ejemplos incluyen: electrónica, refrigerantes y desechos domésticos peligrosos, como pintura, productos químicos de limpieza y una variedad de otros artículos que requieren un desecho especial.

## DESIGN PHASE NEXT FOR DAVINCI PARK

The public spoke and City Council listened. DaVinci Park in the Tuscany subdivision will move forward into the design phase in August. The company Confluence has been contracted to create the design that will be modeled after the "Knoll concept" pictured above.

"This was a direct result of resident's participation," Parks and Operations Director Scott Sandridge, said. "We were impressed with the amount of valuable input we received from residents both online and in-person."

Nearly 200 people responded to an online survey about the future design of DaVinci Park. Another set of neighbors showed up to an outdoor, neighborhood meeting on a 100 degree day to share their vision of neighborhood park with the City of Evans Parks Department.

The public had two options for the park layout: The Knoll or the DaVinci design. Both are pictured below. In the online survey, the Knoll was a heavy favorite with more than 60% of the vote. The public was also able to vote on features like picnic tables, terraces, and open lawn space. Evans City Council will review the designs and the public's input and make a final decision before construction starts late in the summer. The park should be completed by the fall of 2021.

Once the design phase is complete, construction is expected to begin in September/October, with an anticipated opening Fall of 2021.

## Street Improvements continue in September

### 47th Avenue Widening

This project will widen 47th Avenue from the City Limits to just north of 37th Street to a 4-lane arterial road with a median, turn lanes and 10-ft detached sidewalks. Sections of the road will have a 16-foot-wide planted median. DeFalco Construction is the General Contractor on the project. The project will be completed by September and the cost is estimated at \$3,503,943.

### 2021 Chip Seal

This project consists of chip sealing roads in neighborhoods around Evans, including Old Town Evans, Ashcroft Heights, the Ridge at Prairie View, North Point, Willowbrook, The Village, Hunter's Reserve, Neville's Crossing, and Sunnyside. Vance Brothers is doing the work. The process consists of placement of oil, then chips on day 1 and a second coat of oil the following day. The road can be driven on immediately after the chip placement and about 30 minutes after the 2nd coat of oil has been placed. Evans will also place a product called Reclamite on 49th Street from 35th Avenue to Branter Road to rejuvenate the existing oils in the asphalt to extend the life of the existing road and the recently completed patches. This project cost is estimated at \$300,000.

### 2021 Patching

This project consists of patching larger areas of road settlement in neighborhoods around Evans caused by subgrade issues. The patching is done ahead of chip seal operations to reduce the chance of more settlement after the chip seal. Colorado Paving is doing the work and should be wrapping up in the next few weeks. This project cost is estimated at \$135,000.

### 2021 Concrete Replacement

This project consists of replacing damaged concrete curb, gutter and sidewalk and ADA ramps in neighborhoods around Evans. Naranjo Construction is doing the work and should be wrapping up in the next few weeks. This project cost is estimated at \$400,000.

### 2021 Road Reconstruction

This project consists of the mill and overlay of 15th Avenue and Collins Avenue between 32nd and 34th Streets. Stagecoach Drive was completely reconstructed between Stampede and 39th Avenue. Also, some large pavement patches were placed on 37th Street east of 65th Avenue, 65th Avenue south of 37th Street and the intersection of 49th Street and 65th Avenue.

Construction on this project should be wrapping up in mid-July. The project cost is estimated at \$700,000.

## *Opportunity Awaits!* **Planning Commission Water Sewer Board** *Vacancies!*

Do you have a strong desire to make a difference in your city? Do you want to make an impact on your community? Are you a solutions-minded individual who seek positive, resourceful outcomes? Are you interested in making a positive impact on the people and growth of the city? If so, then you may be a great fit for the City of Evans Planning Commission.

Do you have aspirations of becoming an engineer, architect, financial planner, or city manager? Are you the type that believes its your civic duty to participate in local government? Are you a recent graduate that's looking for an opportunity to network and gain experience?

If you answered yes to any of the questions above, you may be a great fit for the position.

### **WHAT YOU WILL GET OUT OF IT:**

- ◆ The opportunity to shape your community
- ◆ Valuable experience working in city government
- ◆ Gain insight into the challenges facing your community
- ◆ A place to network with like-minded individuals
- ◆ Enhance your resume and gain valuable experience

**HOURS AND COMPENSATION:** This is a volunteer position that requires a 3-year term. No experience necessary.

The application can be found at [www.evanscolorado.gov/boc/water-and-sewer-board-opening](http://www.evanscolorado.gov/boc/water-and-sewer-board-opening). 

Once filled out, applications should be emailed to [jkamka@evanscolorado.gov](mailto:jkamka@evanscolorado.gov).

Applications will be accepted at the City Clerk's office until September 30th, 2021.

## Heritage Day returns in 2021

*"Anytime we can celebrate together  
we're a stronger community"*

After a yearlong hiatus due to COVID-19, Evans signature celebration is back for two days in the fall.

The sound of music, the smell of food, and the leaves in East Evans as the dawn of fall enters the foothills of Colorado. Those are the sensory triggers that remind us of Evans annual celebration known as Heritage Days, and those familiar sights, scents and sounds will return on September 17th & 18 after a yearlong hiatus due to the pandemic in 2020.

"It's a symbol of being together," Evans Mayor Brian Rudy said. "Anytime we can celebrate together we're a stronger community and Heritage Days is a perfect way to do that."

The two-day festival kicks off at 4pm on Friday with live music, food trucks, games for kids, and a variety of family-friendly activities. The event continues on Saturday morning with the Heritage Day pancake breakfast, parade, live music and games.

"This year's event is especially important," Evans Communications Manager Lance Snow said. "Everyone needs something to rally around and feel good about and Heritage Days is a perfect way to do it."

Admission is free. Friday's festivities will be held at Riverside Park. On Saturday, the party shifts to City Park for the pancake breakfast, parade, petting zoo, and many other activities.

# ACTIVE ADULT FITNESS CLASSES

## CARDIOFIT

Try a safe and heart-healthy aerobics class to energize your active lifestyle using low-impact movements that focus specifically on building upper-body and core strength plus core endurance. This is a higher intensity class.

## YOGA

Move through seated and standing yoga poses designed to increase flexibility, balance and range of movement.

## CLASSIC

Designed to increase muscle strength, range of movement and improve activities for daily living. A chair is used for seated exercises and standing support and class can be modified depending on fitness levels.

## CIRCUIT

The Circuit workout offers standing, low-impact choreography alternated with standing upper-body strength work with hand-held weights, elastic tubing with handles and a ball.

## STABILITY

The movements focus on specific exercises to improve strength and power around the ankle, knee and hip joints, while improving your reaction time. This class is designed for fall prevention and is suitable for nearly every fitness level.

## TAI CHI CHIH

RETURNS IN SEPTEMBER

Tai Chi Chih is a gentle moving meditation that brings balance, peace and joy to life. The purpose of Tai Chi Chih is to balance and circulate the natural energy of the body.
